Paper Bags

“Every Bag Tells Your Story”

When it Comes to Paper Bags, Nobody Sources Smarter.

From custom-branded retail bags to high-volume QSR solutions, WSCS Global has built its reputation on delivering paper bag programs that perform - at the right quality, the right price, and exactly when you need them.

But paper bags are just the beginning.

As your dedicated global sourcing partner, we connect you to a world of fully customizable packaging and consumable products - branded or non-branded, wherever your business takes you. Our international procurement team works alongside you to find solutions built around your needs, not ours.

One partner. Endless possibilities.

Paper Bags

Millions of bags. One Standard. Yours.

Whatever your industry, consistency is everything. Every location, every transaction, every moment a customer walks out your door needs to reflect your brand exactly as you intended.

At WSCS Global, we understand that a bag isn't just packaging - it's the last thing your team touches and the first thing your customer carries out the door.

That's why leading QSR chains, retailers, convenience stores, hospitality brands, and wholesalers trust us to deliver paper bag programs built around their standard and supplied through a global sourcing network that never misses a beat.

Your brand. Your standard. Delivered.

All of our paper materials are FSC-certified to ensure woodlands are continuously renewed and expanded.
